- Program Type: Graduate minor related to major
- Requirements for this program are current for Spring 2022
- Length of program in credits (Masters): 12
- Length of program in credits (Doctorate): 12
- This program does not require summer semesters for timely completion.

Along with the program-specific requirements listed below, please read the General Information section of the catalog website for requirements that apply to all major fields.

The addictions minor expands access to courses in the MPS in addictions counseling and MPS in integrated behavioral health programs courses to the wider graduate student population, meeting a need for addictions-related coursework for students in related graduate and professional programs. Students in other disciplines may also find value in expanding their foundational knowledge of addictions for their own research and post-graduation career development. Finally, students in allied professional programs wishing to seek licensure can take this ADDS coursework in addition to specific host program coursework and internship requirements toward the Minnesota Licensed Alcohol and Drug Counselor (MNLADC) credential.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)

Prerequisites for Admission

Students must be admitted to a graduate degree program at the University of Minnesota and be in good standing.

For an online application or for more information about graduate education admissions, see the General Information section of the catalog website.

Program Requirements

Use of 4xxx courses towards program requirements is not permitted.

Students working toward allied licensure in counseling/therapy are required to meet specific internship requirements in addition to this coursework. Students interested in the LADC will need to work with their home program advisors to ensure they meet licensing-specific internship requirements.

All courses must be completed with a minimum grade of B-.

Required Courses - 12 credits

Students admitted to a graduate program at the university must take the following courses to earn the 12 credit Minor. ADDS 5091 is the only course with a prerequisite: ADDS 5021. Students in the Minor will be permitted to waive this prerequisite.

ADDS 5011 - Foundations in Addiction Studies (2.0 cr)
ADDS 5031 - Applied Psychopharmacology (2.0 cr)
ADDS 5071 - Foundations of Co-occurring Disorders (2.0 cr)
ADDS 5081 - Multicultural Foundations of Behavioral Health (3.0 cr)
ADDS 5091 - Assessment and Treatment Planning I (3.0 cr)
