Teaching Mathematics B.A.Sc.

Education, Mathematics & Statistics

College of Education and Human Service Professions

- Program Type: Baccalaureate
- Requirements for this program are current for Fall 2021
- Required credits to graduate with this degree: 124 to 126
- Required credits within the major: 99 to 101
- Degree: Bachelor of Applied Science

The Bachelors of Applied Sciences (B.A.Sc.) degree in Teaching Mathematics prepares students to teach Mathematics (Grades 5 - 12). The major aligns to the Minnesota Professional Educator Licensing and Standards Board (PELSB) standards for Mathematics in grades 5 - 12 in Minnesota.

The B.A.Sc. in teaching mathematics is offered by the Department of Education in conjunction with the Department of Mathematics and Statistics. This major is for students who plan to teach mathematics in grades 5-12.

Students should utilize a What-if APAS Report as the official tool to see all requirements for degree completion. Due to the complexity of the admission to the blocks process, students are strongly encouraged to meet with their assigned academic advisor on a regular basis to establish a plan for program completion.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)

Admission Requirements

Students must complete 45 credits before admission to the program.

Freshman and transfer students students are usually admitted to pre-major status before admission to this major

A GPA above 2.0 is preferred for the following:

- 2.50 already admitted to the degree-granting college

General Requirements

The Board of Regents, on recommendation of the faculty, grants degrees from the University of Minnesota. Requirements for an undergraduate degree from University of Minnesota Duluth include the following:

1. Students must meet all course and credit requirements of the departments and colleges or schools in which they are enrolled including an advanced writing course. Students seeking two degrees must fulfill the requirements of both degrees. However, two degrees cannot be awarded for the same major.
2. Students must complete all requirements of the Liberal Education Program.
3. Students must complete a minimum of 120 semester credits.
4. At least 30 of the last 60 degree credits earned immediately before graduation must be awarded by UMD.
5. Students must complete at least half of their courses at the 3xxx-level and higher at UMD. Study-abroad credits earned through courses taught by UM faculty and at institutions with which UMD has international exchange programs may be used to fulfill this requirement.
6. If a minor is required, students must take at least three upper division credits in their minor field from UMD.
7. The minimum cumulative UM GPA required for graduation will be 2.00 and will include only University of Minnesota coursework. A minimum UM GPA of 2.00 is required in each UMD undergraduate major and minor. No academic unit may impose higher grade point standards to graduate.
8. Diploma, transcripts, and certification will be withheld until all financial obligations to the University have been met.

Program Requirements

1. Compliance with general regulations governing granting of degrees.
2. Students are expected to:
   * Make satisfactory progress each semester, including grades of C- or better in all courses required in the major and successfully achieve all standards aligned with assignments in each course.
   * Maintain a minimum 2.5 cumulative and major GPA.
   * Demonstrate acceptable professional performance, including dispositions and teaching skills, in field placement; candidate proficiency is assessed throughout the teacher preparation courses by University faculty, University supervisors, and the cooperating
