- Program Type: Master's
- Requirements for this program are current for Spring 2022
- Length of program in credits: 30
- This program does not require summer semesters for timely completion.
- Degree: Master of Education

Along with the program-specific requirements listed below, please read the General Information section of the catalog website for requirements that apply to all major fields.

The Master of Education (MEd) is a professional development degree for teachers and those who work in the human and social service profession, community education, or post-secondary education. Professional development is achieved through critical reflection, investigation, and application of theory and research to practice in communities. The curriculum is based on the work done as teachers, leaders, and change agents in formal, non-formal, and community-based settings.

Program Delivery

This program is available:

- primarily online (at least 80% of the instruction for the program is online with short, intensive periods of face-to-face coursework)
