- Program Type: Master's
- Requirements for this program are current for Fall 2021
- Length of program in credits: 48 to 64
- This program does not require summer semesters for timely completion.
- Degree: Master of Business Administration

Along with the program-specific requirements listed below, please read the General Information section of the catalog website for requirements that apply to all major fields.

At the Carlson School, students tailor their education to meet their career objectives. Supported by outstanding faculty, cutting-edge coursework, and extensive networking opportunities, students compile an impressive record of professional achievements even before they graduate.

The Carlson School offers several pathways to the master of business administration degree: the full-time MBA, the part-time MBA, the online MBA, and the executive MBA. Dual degree programs are only available through the full-time MBA program. Please visit our website at http://www.carlsonschool.umn.edu/mba/ for more information.

The Carlson School's China Executive MBA program is offered through a partnership between the Carlson School and Lingnan (University) College of Sun Yat-sen University. The Carlson School's Vienna Executive MBA program is offered jointly with the Vienna University of Economics and Business (WU). For additional information on these two programs, please contact cgi@umn.edu.

Accreditation

This program is accredited by AACSB International.

Program Delivery

This program is available:

- primarily online (at least 80% of the instruction for the program is online with short, intensive periods of face-to-face coursework)

Prerequisites for Admission

Applicants must have a bachelor's degree from an accredited college or university.

Other requirements to be completed before admission:

Carlson Executive Master of Business Administration

The Carlson executive MBA is built on a foundation of time-tested business principles. By emphasizing a global perspective, the rigorous curriculum helps students develop a deeper understanding of theory and practice. Each class moves through the program together as a cohort, following set schedules. From orientation to graduation, it takes about 21 months to complete the program. Classes are held Fridays and Saturdays, predominantly on alternate weekends, 7:30 a.m. to 4:30 p.m., and do not meet during the summer.

CEMBA Program Requirements

Global Medical Industry M.B.A.

The Carlson Global Medical Industry MBA is designed to train multi-professional business leaders around the world to shape the future of the medical industry and drive innovation in financing, technology and care solutions. The curriculum integrates rich practical experiences in data analytics, medical technology, technological innovation, global financing, business operations and management, marketing, strategy, and promotion of the worlds sustainable development all with a uniquely global perspective. The program features a capstone course, Global Medical Innovation Laboratory, offering curriculum and experiential learning with partner Universities on multiple continents as an immersive critical student thinking process to accelerate affordable new service and technology solutions around the world. Since first offered to domestic MBA students in 2014, the Laboratory has won multiple awards for innovation in MBA and business school curriculum. The lab is a mix of class sessions, research, virtual site visits, and group work. This lab is geared to provide participants with an opportunity to work in cross-cultural teams on a valuation project.
