

Duluth Campus

Health Care Management Minor

Economics & Health Care Management

Labovitz School of Business and Economics

- Program Type: Undergraduate minor related to major
- Requirements for this program are current for Fall 2022
- Required credits in this minor: 15 to 30

The health care management minor teaches students about the health care system and how to apply management, economic, and legal methods to solve health care service problems. A minor in health care management complements the existing business majors, particularly for students who would like to apply their skills and knowledge in the health care sector.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)

Admission Requirements

A GPA above 2.0 is preferred for the following:

- 2.60 already admitted to the degree-granting college
- 2.60 transferring from another University of Minnesota college
- 2.60 transferring from outside the University

For information about University of Minnesota admission requirements, visit the [Office of Admissions website](#).

Minor Requirements

This minor is available to Labovitz School of Business and Economics and non-LSBE students. Requirements for admission to the minor are the same for admission to candidacy.

Program Sub-plans

Students are required to complete one of the following sub-plans.
