

### **Crookston Campus**

## **Health Services Executive B.S.**

*Business*

### **Academic Affairs**

- Program Type: Baccalaureate
- Requirements for this program are current for Spring 2023
- Required credits to graduate with this degree: 120
- Required credits within the major: 63
- Degree: Bachelor of Science

The Health Services Executive program provides career opportunities to manage and lead organizations within the long-term care industry including nursing homes, residential care, assisted living, and home and community based services. The program provides the knowledge and skills required to obtain licensing as a Health Services Executive, which many states have recognized as the standard for long-term care administrators. The program has been approved by the Minnesota Board of Executives for Long Term Services and Supports allowing graduates to be eligible to become licensed as a Health Services Executive.

### **Program Delivery**

This program is available:

- completely online (all program coursework can be completed online)

### **Admission Requirements**

For information about University of Minnesota admission requirements, visit the [Office of Admissions website](#).

### **General Requirements**

All students are required to complete general University and college requirements. For more information, see the [graduation requirements](#).

### **Program Requirements**

Students must complete 40 upper-division credits.

A Maximum of two "D" grades are allowed for core courses required in the program and technology requirements. This includes earned at UMC or transferred in from another institution.
