### **Undergraduate Education Administration**

- Program Type: Undergraduate free-standing minor
- Requirements for this program are current for Fall 2022
- Required credits in this minor: 14 to 16

The Leadership Minor is an interdisciplinary, multidimensional, experiential, and global program. Students will explore and experience multiple frameworks of leadership. The program prepares students for real-life leadership experiences, both on campus and in the larger global community by combining social change theories of leadership with authentic community leadership. This minor is a collaborative effort of the Office for Student Affairs and Office of Undergraduate Education.

## **Program Delivery**

This program is available:

- via classroom (the majority of instruction is face-to-face)

## **Admission Requirements**

Students officially declare the Leadership Minor in the first few weeks of their Field Experience course (LEAD 3971), after completing the first two courses (LEAD 1961W and LEAD 3961) of the program with a grade of C- or better.

Effective Spring 2020:

OLPD 1302 no longer serves as the first class for students who wish to pursue the Leadership Minor\*. Students intending to complete the Leadership Minor must take only LEAD 1961W as a pre-requisite for LEAD 3961 to continue in the Minor.

\*Students who completed OLPD 1302 prior to Spring 2020 may still enroll in LEAD 3961. Email [lead@umn.edu](mailto:lead@umn.edu) for further information.
