Early Childhood Education: Foundations B.S.

Institute of Child Development

College of Education and Human Development

- Program Type: Baccalaureate
- Requirements for this program are current for Summer 2011
- Required credits to graduate with this degree: 120
- Required credits within the major: 60
- NOne
- Degree: Bachelor of Science

The undergraduate program in early childhood education: foundations prepares upper division students to work with young children and their families and to work with both typically or atypically developing children. The curriculum includes an extensive core of liberal education courses that are central to early childhood teaching and child development.

The program prepares graduates to work in non-licensure educational settings (including daycare centers or youth community programs), pursue advanced degrees, or work in other settings where a strong liberal education base is useful.

In addition, the undergraduate degree program prepares students for entry into the master of education (M.Ed.)/initial licensure programs in early childhood education and/or early childhood special education, and elementary education. M.Ed. admission requirements include successful completion of all requirements for the B.S. degree, and successful school practicum experiences. Preferred admission to the M.Ed. program requires a minimum 2.80 GPA.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)

Admission Requirements

Students must complete 60 credits before admission to the program.

A GPA above 2.0 is preferred for the following:

- 2.50 already admitted to the degree-granting college
- 2.50 transferring from another University of Minnesota college
- 2.50 transferring from outside the University

Program admission is based on the following criteria:

* Minimum 2.50 overall GPA.

* Completion of at least 60 credits, including credits in progress at the time of application. This includes completion of the two-course psychology requirement and at least half of the courses in content areas 2-6. After program admission, students must complete remaining courses in content areas 2-6 and all courses in content areas 7-8.

* Reflective essay. See the CEHD Undergraduate Application for Foundations of Education (FOE): Early Childhood for more information.

Recommended Electives

Recommend KIN 3327, MATHE 3101 and 3102 OR MATH 3113 and 3118 and EDHD 5001 5003 and 5005 to students going on to initial licensure programs in elementary education.

Pre-Licensure or Non-Licensure Options

Non-Licensure Option

Students complete appropriate electives of interest for their program, in consultation with their adviser.

Program Sub-plans

A sub-plan is not required for this program.

Honors UHP

This is an honors sub-plan.

Students admitted to the University Honors Program (UHP) must fulfill UHP requirements in addition to degree program requirements. Honors courses used to fulfill degree program requirements will also fulfill UHP requirements.

Current departmental honors course offerings are listed at:

http://www.honors.umn.edu/academics/curriculum/dept_courses_current.html

Honors students complete an honors thesis project in the final year, most often in conjunction with an honors thesis course, or with an honors directed studies or honors directed research course. Students select honors courses and plan for a thesis project in consultation with their UHP adviser and their departmental faculty adviser.
