Crookston Campus

Finance Certificate

Business

Academic Affairs

- Program Type: Undergraduate credit certificate
- Requirements for this program are current for Fall 2017
- Required credits to graduate with this degree: 28 to 29
- Degree: Finance Certificate

The ability to understand the markets and how businesses raise and invest capital is a highly looked upon specialized background amongst businesses and organizations. The certificate in finance is a broad program covering such diverse topics as corporate finance, insurance and risk management, estate planning, investments and money, banking and financial institutions. Students completing this certificate may find employment working with banks, insurance companies, securities firms, commodity brokers, and other financial investments enterprises.

Please note that this certificate is available to individuals in the workforce that want a new career in finance and to non-University of Minnesota baccalaureate students who want additional credentialing.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)
- completely online (all program coursework can be completed online)

Admission Requirements

For information about University of Minnesota admission requirements, visit the Office of Admissions website.
