Liberal Arts for the Human Services B.A.

Division of Social Sciences - Adm

Division of Social Sciences

- **Students will no longer be accepted into this program after Spring 2015. Program requirements below are for current students only.**
- **For students interested in a Liberal Arts for the Human Services major, see Human Services.**

- Program Type: Baccalaureate
- Requirements for this program are current for Spring 2017
- Required credits to graduate with this degree: 120
- Required credits within the major: 60
- Degree: Bachelor of Arts

Objectives--This program's three main purposes are to provide a firm liberal arts basis for understanding individual human behavior in its social context; provide the liberal arts foundation for professional work in baccalaureate-level human services occupations, such as counseling, casework, personnel work, criminal justice, and administration of human services in federal and state agencies, private businesses, or professional organizations; and prepare students for graduate work in the human services professions.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)

Admission Requirements

For information about University of Minnesota admission requirements, visit the Office of Admissions website.

General Requirements

All students are required to complete general University and college requirements. For more information, see the general education requirements.

Program Requirements

Students are required to take 2 semester(s) of any second language.

Students develop a coherent program of study in consultation with their major advisers generally no later than the spring semester of their sophomore year. Advisers normally are faculty with a background or specialties related to the human services area (anthropology, psychology, sociology).

Because LAHS students pursue varied careers, they are advised to include in their programs courses appropriate to their career plans. In all instances, students should consult with their advisers when designing their programs.

Students should discuss the arrangement of their field experience with the LAHS internship adviser no later than the fall semester of their junior year. Information concerning specific field placements can be obtained from the directory of the Career Services or the LAHS internship adviser.

No grades below C- are allowed. Courses may not be taken S-N, unless offered S-N only.

A minimum GPA of 2.00 is required in the major to graduate. The GPA includes all, and only, University of Minnesota coursework. Grades of "F" are included in GPA calculation until they are replaced.

Required Courses

Courses and directed studies not listed below may be considered for addition to the LAHS major, provided the subject matter is appropriate for the program of study. Contact LAHS coordinator.

Students should complete Psy 4102 during the year before their internship (PSY 4896 or IS 3796 or IS 3996).
