College of Arts, Humanities and Social Sciences

- Required credits to graduate with this degree: 120
- Required credits within the major: 27 to 47
- Study abroad will be strongly encouraged for French Studies majors in a variety of sites, to be determined by student interest and focus, throughout the French-speaking world. Our program will work to facilitate the achievement of University of Minnesota system-wide goals, which call for 50 percent of students to participate in a study abroad experience.
- Degree: Bachelor of Arts

This program prepares students to thrive as globally competent citizens through an in-depth encounter with French and Francophone cultures and literature. Majors develop language proficiency and communication skills as they study literature, films, and cultures of the French-speaking world. Such studies have long been a core discipline in the liberal arts due to the rich intellectual, political, artistic, technological, and scientific achievements of a culture whose language is spoken in many parts of the world. In view of northeastern Minnesota's extensive French heritage and proximity to bilingual Canada, the field of French studies offers local as well as global perspectives that can be applied in a wide variety of career choices.

Program Delivery

This program is available:
