Labovitz School of Business and Economics

- Program Type: Baccalaureate
- Requirements for this program are current for Fall 2017
- Required credits to graduate with this degree: 120
- Required credits within the major: 107
- Degree: Bachelor of Business Administration

Marketing & Graphic Design (MGD) combines knowledge and skills from two complementary domains: marketing and graphic design. Students enrolled in this major will get a broad exposure to the fundamentals of business and economics. In addition, they will receive specialized training in marketing and creative design. The degree enables graduates to work effectively in industry-standard creative teams, moving from empirically identifying and measuring consumer needs and desires to the design of effective promotional graphic systems and materials. Students enrolled in BBA-MGD will not be eligible to major or minor in marketing because of the curriculum overlap.
