Crookston Campus

Agricultural Business Minor

Agriculture and Natural Resources

Academic Affairs

- Program Type: Undergraduate minor related to major
- Requirements for this program are current for Spring 2019
- Required credits in this minor: 21

The agricultural business minor gives students a broad understanding of marketing techniques, livestock and grain commodities, financing, and economics of agriculture. This minor complements many of the agriculture-based majors as well as business such that students learn valuable information regardless of whether they work in lending, consulting, sales, or run their own business.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)
- completely online (all program coursework can be completed online)
