**Admission Requirements**For information about University of Minnesota admission requirements, visit the [Office of Admissions website](#).**General Requirements**

All students are required to complete general University and college requirements including writing and liberal education courses. For more information about University-wide requirements, see the [liberal education requirements](#). Required courses for the major or minor in which a student receives a D grade (with or without plus or minus) do not count toward the major or minor (including transfer courses).

**Program Requirements**

Students are required to take 4 semester(s) of any second language.

CLA BA degrees require 18 upper-division (3xxx-level or higher) credits outside the major designator. These credits must be taken in designators different from the major designator and cannot include courses that are cross-listed with the major designator. The major designator for the Linguistics BA is LING.

At least 15 upper-division credits in the major must be taken at the University of Minnesota - Twin Cities campus.

The capstone in Linguistics consists of a 15-25 page research paper. Students typically expand and revise work done in a previous course. The previous work could be a term paper, squib, group project, or in some cases an oral presentation. The topic should be approved by the course instructor before registration for the seminar. Students taking LING 4901W must complete the course with at least an S grade.

Take exactly 1 course(s) totaling exactly 3 credit(s) from the following:

Students who double major and choose to complete the capstone requirement in their other major may waive the Linguistics BA capstone, and they do not need to replace the 3 credits.
