- Program Type: Post-baccalaureate credit certificate/licensure/endorsement
- Requirements for this program are current for Fall 2019
- Length of program in credits: 14
- This program does not require summer semesters for timely completion.
- Degree: Management Fundamentals PBacc Certificate

Along with the program-specific requirements listed below, please read the General Information section of the catalog website for requirements that apply to all major fields.

The Management Fundamentals Certificate program provides students with the fundamentals of health care management. It includes coursework in the design of health care delivery systems, health economics, cost accounting in health care, introduction to health care finance, teamwork in health care, and an introduction to management principles in health care. The certificate includes select coursework from the School of Public Health's health care administration MHA degree - executive track, and is designed for individuals working in health care organizations and interested in developing a better understanding of management.

Accreditation

This program is accredited by Commission on Accreditation of Healthcare Management.

Program Delivery

This program is available:

- primarily online (at least 80% of the instruction for the program is online with short, intensive periods of face-to-face coursework)

Prerequisites for Admission

The preferred undergraduate GPA for admittance to the program is 3.00.

Special Application Requirements:
Admission to the certificate is decided by the MHA faculty with the advice and counsel of an admissions committee. Admission to the certificate requires the following:
- a bachelor's degree from an accredited college or university
- at least three years of experience in a healthcare organization
- current employment in a healthcare organization which affords the opportunity to apply the assignments in the coursework, or an agreement with such an organization in which the applicant is not employed
- a letter of intent describing career interests and the relevance of the certificate to the applicant's personal development

Note: Students are expected to bring a personal computer to the on-campus sessions.

International applicants must submit score(s) from one of the following tests:
- TOEFL
  - Internet Based - Total Score: 100
  - Paper Based - Total Score: 600
- IELTS
  - Total Score: 7
- MELAB
  - Final score: 80

Key to test abbreviations(TOEFL, IELTS, MELAB).
