

Crookston Campus

Entrepreneurship B.S.

Business

Academic Affairs

- Program Type: Baccalaureate
- Requirements for this program are current for Fall 2019
- Required credits to graduate with this degree: 120
- Required credits within the major: 52
- This program requires summer terms.
- Degree: Bachelor of Science

The Entrepreneurship major prepares students by developing skills and behaviors related to recognition of ideas and potential ventures, feasibility evaluation, assembling resources, and launching of new ventures. Students will learn a broad range of competencies, including opportunity recognition, applied creativity, small business finance, and business plan and strategy development. Students are exposed to a variety of real-world applications through course embedded projects and field study opportunities. An entrepreneurship major not only prepares students to launch and grow their own business, but equips them with highly transferable skills important to any organizational context, particularly in small and medium-sized enterprises.

Graduates of this program will demonstrate:

- Capability and initiative to identify entrepreneurial opportunity, assess and evaluate risk, and plan for small business ventures
- Leadership and entrepreneurial competencies required to conceptualize, plan, finance, resource, manage, and grow small businesses
- Skills of creativity in relation to organizational challenges and business opportunities
- Effective oral and written communication skills in various mediums and organizational contexts
- Effective evaluation skills in determining appropriate resources and necessary courses of action
- Ability to work effectively with people of different backgrounds and personal priorities toward the accomplishment of goals

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)
- completely online (all program coursework can be completed online)
- primarily online (at least 80% of the instruction for the program is online with short, intensive periods of face-to-face coursework)
- partially online (between 50% to 80% of instruction is online)

Admission Requirements

For information about University of Minnesota admission requirements, visit the [Office of Admissions website](#).

General Requirements

All students are required to complete general University and college requirements. For more information, see the [graduation requirements](#).

Program Requirements

A minimum of 40 upper-division credits are required to graduate.

A maximum of two D grades are allowed for core courses required in the program and technology requirements. This includes grades earned at UMC or transferred in from another institution.
