Latin American Studies is the newer of the two Spanish programs offered at UMD. Students who major or minor in this program take courses in Spanish language through the advanced level before taking an interdisciplinary set of courses to intensify their study of Latin America. Our students apply their linguistic and interdisciplinary skills to a wide variety of local, regional, national, or international career choices. Latin American Studies majors do this by participating in either a study abroad experience or internship. Students gain experience through fieldwork with a Spanish-speaking community abroad or in Minnesota.
