Education

College of Education and Human Service Professions

- Program Type: Baccalaureate
- Requirements for this program are current for Fall 2020
- Required credits to graduate with this degree: 123 to 127
- Required credits within the major: 110 to 112
- Degree: Bachelor of Applied Arts

The Bachelors of Applied Arts (B.A.A.) in Teaching Social Studies prepares students to teach grades 5 through 12. The major aligns with the Minnesota Professional Educators Licensing and Standards Board (PELSB) standards for Social Studies in grades 5 - 15 in Minnesota. Teaching Social Studies is an interdisciplinary major that requires lower division coursework in each of seven areas: Anthropology, Economics, Geography, History, Political Science, Psychology, and Sociology. Students then select one of eight discipline-based sub-plan specializations and complete upper division coursework in that discipline: Anthropology, Economics, Geography, History, Political Science, Psychology, Sociology, or Women's Studies. Students complete professional preparation coursework in education.

Students should utilize a What-if APAS as the official tool to see all requirements for degree completion. Due to the complexity of the admission to the blocks process, students are strongly encourage to meet with their assigned advisor on a regular basis to establish a plan for degree completion.
